

**AWAC<sup>®</sup>**  
**OL55-585E**  
**Dehumidifier**

Product Name	Model No.
Home Dehumidifier	OL55-585E
<b>Technical Parameters</b>	
Power Supply	220V-240V/50Hz
Power Consumption	650W
Rated Current	2.8A
Dehumidify Capacity	<b>55L / Day(30°C,80%)</b>
Full Water Quantity	8L
Noise	≤54dB(A)
Air Circulation	450m <sup>3</sup> /hr
Refrigerant /Charge	R410a/340g
Working Temp.	5°C-35°C
Recommend Room Size	40~50m <sup>2</sup>
Control Type	Electronic
Status Indicator	Buker full signal light
Timer	1-24hr
Auto Defrost	Yes
Ionizer	Yes
Optional Water Pump	Yes
Body Size(mm)	460*302*710mm
Package Size(mm)	526*366*765mm
Net Weight	26.5kg
Gross Weight	30kg
<b>Functions and Features</b>	
1, Rotary Compressor	2, Three-Minute Automatic Delay Protection of Compressor
3, With 8L big water tank	4, Humidity Control(20%-95%) 5, Ionzer to purify air
6, With autol restart function	7, Auto stop and warn with indicator light when water tank is full
8, With 1-24 hours timing function to set time when to turn on and turn off
