

DS-50i、DS-60i、DS-70i

New Intelligent Networking WIFI Dehumidifier

Microcomputer control, humidity adjustable range is 10%RH-90% RH

High sensitivity capacitive touch screen

Triple filtering, more clean and efficiency

Automatic defrost is more efficient and fast

10L big water tank can avoid pouring water frequency

Model No.	DS-50i	DS-60i	DS-70i
Capacity	50L/D(30°C,80%RH)	60L/D(30°C,80%RH)	70L/D(30°C,80%RH)
Humidity display	support	support	support
Coverage Area	60~110m ²	70~120m ²	80~130m ²
Water Tank	10L	10L	10L
Defrost Mode	Automatic	Automatic	Automatic
Refrigerant	R410A	R410A	R410A
Voltage	220 V / 50 Hz	220 V / 50 Hz	220 V / 50 Hz
Rated Power	700W	740W	760W
Temperature display	support	support	support
Net weight	23.5KG	24.5KG	25.5KG
Filter screen	support	support	support
Applicable temperature	5~38 °C	5~38 °C	5~38 °C
Size	436X290X720mm	436X290X720mm	436X290X720mm
Air Flow	710m ³ /h	723m ³ /h	740m ³ /h
water tank indicator	yes	yes	yes

Three color optional:
